WHY RICOH?

An apprenticeship with Ricoh is a fantastic opportunity to gain practical, industry experience and achieve qualifications relevant to your chosen career path - all whilst earning a wage! As an apprentice, you will develop your skills by working within a number of our key business areas specific to your programme and be supported by a designated mentor.

DURATION

Our Data Science apprenticeship is a 5 year programme.

THE ROLE

Throughout the apprenticeship, you will develop key skills in data analysis, problem solving, programming tools/systems, communication and project delivery techniques.

QUALIFICATION

Over the course of your apprenticeship you will work towards achieving your BSc in Data Science (Level 6) qualification. You will be required to attend your study on a block release basis with the remainder of time spent at Ricoh to complete on-the-job training and develop workplace skills.

ENTRY REQUIREMENTS

Applicants should have achieved / be predicted to achieve 3 A Levels (or equivalent) Including Maths at grade B or Above and 2 Other subjects grade A* - C, and must have achieved 5 GCSE's at A* - C (or 4 - 9) including English & Maths and Science.
