WHY RICOH?

An apprenticeship with Ricoh is a fantastic opportunity to gain practical, industry experience and achieve qualifications relevant to your chosen career path - all whilst earning a wage! As an apprentice, you will develop your skills by working within a number of our key business areas specific to your programme and be supported by a designated mentor.

DURATION

Our Information Technology apprenticeship is a 4 year programme.

THE ROLE

This programme will allow you work alongside our Service Delivery Level 1 & 2 teams and our application development team. You will learn and develop skills in troubleshooting, network and server infrastructure, application support, cyber security and application workflow development. With the opportunity to get involved in the global roll out of our new cloud-based ERP system.

QUALIFICATION

Over the course of your apprenticeship you will work towards achieving your Level 6 Digital & Technology Professional Apprenticeship (following a cyber security analyst pathway) and get your BSc (Hons) in Digital & Technology Solutions. You will attend university on a block-release basis and receive additional workplace training relevant to your programme.

ENTRY REQUIREMENTS

Applicants should have achieved / be predicted to achieve Level 3 or above qualifications equivalent to 113 UCAS Tariff points and have achieved 5 GCSE's at A* - C (or 4-9) including Maths and English.
