WHY RICOH?

An apprenticeship with Ricoh is a fantastic opportunity to gain practical, industry experience and achieve qualifications relevant to your chosen career path - all whilst earning a wage! As an apprentice, you will develop your skills by working within a number of our key business areas specific to your programme and be supported by a designated mentor.

DURATION

Our Software Engineering apprenticeship is a 5 year programme.

THE ROLE

Throughout the apprenticeship you will develop skills in object orientation programming languages, web applications development, cloud computing, systems development, data communications and network infrastructure.

QUALIFICATION

Upon successful completion of this Digital and Technology Solutions Professional (Integrated Degree) Level 6 apprenticeship you will achieve a BSc (Hons) in Digital and Technology Solutions. You will be required to attend your study on a block release basis with the remainder of time spent at Ricoh to complete on-the-job training and develop workplace skills.

ENTRY REQUIREMENTS

Applicants should have achieved / be predicted to achieve 3 A Levels (or equivalent to 104 UCAS Tariff points - eg 3 A levels at grades BCC and above). As well as 5 GCSE's at A* - C (or 4 - 9) including English & Maths and IT.
