## WHY RICOH?

An apprenticeship with Ricoh is a fantastic opportunity to gain practical, industry experience and achieve qualifications relevant to your chosen career path - all whilst earning a wage! As an apprentice, you will develop your skills by working within a number of our key business areas specific to your programme and be supported by a designated mentor.

## DURATION

Our Software Engineering apprenticeship is a 5 year programme.

## THE ROLE

Throughout the apprenticeship you will develop skills in object orientation programming languages, web applications development, cloud computing, systems development, data communications and network infrastructure.

## QUALIFICATION

Upon successful completion of this Digital and Technology Solutions Professional (Integrated Degree) Level 6 apprenticeship you will achieve a BSc (Hons) in Digital and Technology Solutions. You will be required to attend your study on a block release basis with the remainder of time spent at Ricoh to complete on-the-job training and develop workplace skills.

## ENTRY REQUIREMENTS

Applicants should have achieved / be predicted to achieve 3 A Levels (or equivalent to 104 UCAS Tariff points - eg 3 A levels at grades BCC and above). As well as 5 GCSE's at A\* - C (or 4 - 9) including English & Maths and IT.
