WHY RICOH?

An apprenticeship with Ricoh is a fantastic opportunity to gain practical, industry experience and achieve qualifications relevant to your chosen career path - all whilst earning a wage! As an apprentice, you will develop your skills by working within a number of our key business areas specific to your programme and be supported by a designated mentor.

DURATION

Our Tool Making apprenticeship is a 4 year programme.

THE ROLE

During your apprenticeship you would learn and develop skills in all aspects of Tool Making, from hand fitting, manual machining and welding to manufacturing parts using CNC Milling machines and designing jigs using CAM software. You will also be exposed to welding, engineering mathematics and CMM measuring equipment for high accuracy jobs.

QUALIFICATION

Over the course of your apprenticeship you will work towards achieving your PEO Level 2, BTEC Level 3 & NVQ Level 3, with the opportunity to study towards HNC Level 4. You will be required to attend your study on a block release basis with the remainder of time spent at Ricoh to complete on-the-job training and develop workplace skills.

ENTRY REQUIREMENTS

Applicants should have achieved / be predicted to achieve 5 GCSE's at A* - C (or 4 - 9) including English, Maths and a Science based subject.
